

Jerel M. Ezell PhD, MPH

Assistant Professor, Community Health Sciences, University of California Berkeley
Director, Berkeley Center for Cultural Humility

Email: jezell@berkeley.edu / Website: www.jerelezell.com

AREAS

Health Disparities; Community Engagement; Cultural Humility; Drug Use; Environmental Health; Urban Planning; Psychological Trauma; Mixed Methods Research; Social Networks; Spatial Analysis

EDUCATION

- 2020 Ph.D., Sociology, University of Chicago
Ph.D. Dissertation: "Theater of crisis: A mixed methods examination of planning, power and penalty during the Flint Water Crisis." *Committee: Kristen Schilt (University of Chicago, Sociology, Co-Chair); Anna Mueller (Indiana University, Sociology, Co-Chair); and Bruce Link (University of California – Riverside, Sociology)*
- 2018 M.A., Sociology, University of Chicago
- 2010 M.P.H., Sociomedical Sciences, Columbia University
M.P.H. Thesis Practicum: "A qualitative assessment of practices, barriers and recommendations around physical healthcare service integration and coordination for individuals with serious mental illness: How do we bridge the quality chasm?" *Advisor: Bruce Link (Columbia University Mailman School of Public Health, Epidemiology and Sociomedical Sciences)*
- 2008 B.A., Anthropology, University of Michigan - Ann Arbor

POST-GRADUATE PROFESSORSHIP EXPERIENCE

- 2023-current Assistant Professor, *Community Health Sciences* at University of California Berkeley
- Courses taught: 1) Introduction to Social Epidemiology (graduate) and 2) Doing Mixed Methods Research With Marginalized and Hidden Populations (graduate)
- 2020-2023 Assistant Professor, *General Internal Medicine* and *Africana Studies* at Cornell University/Weill Cornell Medicine
- Courses taught: 1) Diasporic and Indigenous Health (undergraduate/graduate) and 2) Doing Mixed Methods Research With Marginalized and Hidden Populations (graduate)
- Joint graduate faculty field appointments: *American Studies, Brooks School of Public Policy, City and Regional Planning, Department of Sociology* at Cornell University
- 2021-current Director, *Center for Cultural Humility* (now at University of California Berkeley) | humilitycenter.org
- The Center for Cultural Humility (CHUM) is a training center focused on generating and disseminating best practices for culturally responsive practice, policy, and research. CHUM was established in 2021 and provides evidence-based trainings on cultural humility, anti-racism, trauma-informed practice, restorative justice, Community-Based Participatory Research, and citizen science around the world.
- 2021-current Director, *ReLateral Lab* at University of California Berkeley | www.relateral.com
- ReLateral Lab is an interdisciplinary research lab that focuses on providing graduate and undergraduate students with opportunities to conduct community-based research on health disparities. The lab was established in 2020 and currently employs a diverse, multidisciplinary mix of students who are conducting research and community engagement in California, New York, Pennsylvania, Michigan, Illinois, and Georgia.

American Journal of Public Health; American Journal of Sociology; American Sociological Review; Child Abuse & Neglect; Ethnicity and Disease; Health and Place; Journal of Healthcare for the Poor and Underserved; Journal of Substance Abuse Treatment; PLoS One; Psychiatric Services; Psychological Medicine; Qualitative Health Research; Social Problems; Rural Sociology; Trauma, Violence, and Abuse

PROFESSIONAL WORK EXPERIENCE

2020-current Consultant, *Infectious Diseases and Global Health*, University of Chicago Hospital
Leader of qualitative research core involved in participant recruitment, interview question guide development, interviewing, and coding and analysis.

2017-2020 Research Coordinator, *Infectious Diseases and Global Health*, University of Chicago Hospital
Provided general research coordination for an NIH-funded study on nonmedical opioid use study, including leading the qualitative core, developing research protocols and IRB documentation, and analyzing collected data.

Jerel M. Ezell PhD, MPH

Assistant Professor, Community Health Sciences, University of California Berkeley
Director, Berkeley Center for Cultural Humility

Email: jezell@berkeley.edu / Website: www.jerelezell.com

- 2017-2019 Program Evaluator, Umoja Student Development
Served as a technical resource for the evaluation of data from a restorative justice intervention at 10 public Chicago high schools, conducting interviews with school staff, managing databases, and assessing longitudinal performance metrics.
- 2013-2018 Program Evaluator, *Children's Trauma Assessment Center* at Western Michigan University
Conducted semi-structured interviews with court officials and social workers and program evaluation services for a statewide, SAMHSA-funded child welfare intervention. Provided survey design and instrument validation, coordination of data collection, and analysis and interpretation of data in structured reports.
- 2016-2017 Research Coordinator, West Health Institute
Carried out semi-structured interviews with social services and healthcare professionals, addressing case management and care coordination practices for older adults. Provided general program coordination support and logistics management, including scheduling meetings and developing programming materials.
- 2015-2016 Grant and Program Administrator, *Sinai Urban Health Institute* at Mount Sinai Hospital
Developed and executed Institute's primary development and fundraising strategies, helping seek, write and review grant/funding applications. Facilitated *post* award processes, managing financial accounts and budget activities, and generated status reports for funders.
- 2011-2013 Epidemiologist, Henry Ford Hospital
Created study protocol and managed data collection team in the recruitment and retention of study participants for NIH-funded research (P01, R01 and R21) addressing primary prevention and management of various chronic diseases. Produced empirical reports on research findings, and prepared and analyzed results for publication in peer-reviewed journals.
- 2010 Health Coordinator for *Street-to-Home Program*, Common Ground
Liaised with community health providers to create efficient provider referral systems for medically-vulnerable homeless individuals in need of primary and specialty care services. Developed, led and evaluated comprehensive health education seminars which addressed wellness promotion topics, including healthy eating, physical activity and preventive screening.
- 2009-2010 Research Assistant, NY State Psych Institute Center of Excellence for Cultural Competence
Assisted in overall research project development and Center expansion and promotion efforts through federal grant-writing initiatives and systematic literature reviews. Conducted semi-structured interviews and focus groups with racially and ethnically diverse consumers of mental health services and their healthcare and social services providers.
- 2009-2010 Research Consultant, NYC Department of Health and Mental Hygiene
Developed training materials for patient navigators at local public and private hospitals and created and executed an evaluation plan addressing program performance.
- 2008-2009 Program Assistant, New Destiny Housing Corporation
Engaged and recruited prospective program advocates and donors, and supported coordination of organizational fundraising and sponsor appreciation events. Executed marketing campaign aimed at educating survivors of domestic violence on financial independence, creating informational materials to be distributed and discussed with these clients.

INVITED TALKS

2023

“Cultural Humility: Into the Public Health Multiverse.” New York City Department of Health and Mental Hygiene. December 8, 2023.

“Cultural Humility and Immigrant Sexual Health.” AIDS Education and Training Center. November 1, 2023.

“Community Outreach in the Election Protection Process.” Scholars Strategy Network. October 11, 2023.

“Advancing Cultural Humility in Social Services.” Youth Advocate Programs. September 13, 2023.

“Community Engagement and Cultural Humility in Public Health.” New York State Department of Health, Bureau of Tobacco Control. September 12, 2023.

“The Swag Deficit: How and Why Public Health Sucks All the Fun Out of Everything.” Region 2 Public Health Training Center. September 5, 2023.

“Equity Clout and The Racial Stratification of Sexual Health.” Centers for Disease Control and Prevention. August 10, 2023.

“Why haven't we successfully addressed disparities in mental health? (A.K.A. Understanding the myths, realities, and new opportunities around cultural competence).” New York State Office of Mental Health. August 10, 2023.

“TIP of the ICEberg? De-Stigmatizing and De-Criminalizing Immigration.” Office for New Americans. July 25, 2023.

“The Ghosts of Systems Research Past, Present, and Future: Looking Back While Looking Ahead.” Systems for Action/Robert Wood Johnson Foundation. July 20, 2023.

“Gender and Reproductive Justice... Meet Cultural Humility and Anti-Racism.” New York City Department of Health and Mental Hygiene. June 14, 2023.

“Public Health's “Equity Clout” Problem: What Is It And How Do We Address It To Achieve Structural and Cultural Humility?” Region 2 Public Health Training Center. June 6, 2023.

“‘There are white people in Flint, too.’ A mixed methods contextualization of the social and racial dimensions of the water crisis in Flint, Michigan.” University of California Berkeley. February 14, 2023.

“Understanding the Complex Needs—and Expectations—of Racially Diverse People Who Use Drugs.” ACR Health. March 9, 2023.

“How Can We Better Support Refugee Populations through Cultural Humility?” Catholic Charities and Kansas Office for Refugees. March 7, 2023.

“Conducting Culturally Humble, Anti-Racist Research: A Primer and Proposal.” RELevent 2. Robert Wood Johnson Foundation. February 22, 2023.

“Engaging Researchers in Culturally Humble Research Practices.” Scholars Strategy Network. January 23, 2023.

2022

“The Cultural Epidemiology in Flint: What was, what is, and what could be.” University of Southern California, Keck School of Medicine. May 4, 2022.

“A Sociomedical Autopsy of the Flint Water Crisis: Race, Class, and All of the Above.” University of Missouri, Black Studies. February 16, 2022.

“Using Cultural Humility to Better Engage People Who Use Opioids.” *Southern Illinois University Medicine: Rural Opioid Prescribers Series*. January 13, 2022.

2021

“Creating Spaces for Youth in Our Work: Supporting Their Growth in Community Leadership.” *Waterway Stories: 2021 Conference. New York-New Jersey Harbor & Estuary Program*. November 17, 2021. (Moderator)

“Negative Attitudes Toward Opioid Use and Drug Injection in Rural Communities: Is it Classic Stigma or Something More?” *Maryland Rural Opioid Technical Assistance*. July 13, 2021.

“Racism in America: Health.” *American Studies Program*. Hosted by Cornell University. March 29, 2021.

2019

“Theater of Crisis: A mixed methods examination of planning, power and penalty during the Flint Water Crisis.”

Jerel M. Ezell PhD, MPH

Assistant Professor, Community Health Sciences, University of California Berkeley

Director, Berkeley Center for Cultural Humility

Email: jezell@berkeley.edu / Website: www.jerelezell.com

Future of Sociology Talk Series. University of Washington, Department of Sociology. December 3, 2019.

"The networks of people who use opioids nonmedically: Reports from rural southern Illinois."

Duke Social Networks and Health Workshop. Duke University, Department of Sociology. May 13, 2019.

"Adopting Cultural Sensitivity in Substance Use and Mental Health Programming." Invited Talk.

Webinar delivered to the Florida Department of Children and Families on behalf of the Florida Drug and Alcohol Abuse Association. March 7, 2019.

2016

"Addressing the social needs of older homebound adults: A qualitative analysis of practices and barriers, as reported by medical and social services providers." *Chicago Network & Learning Collaborative Meeting*. Rush University Medical Center. September 29, 2016.

EXTERNAL GRANTS

- 2022 Reducing stigma among emergency department clinicians who provide care for people who use drugs | Funder: Mastercard | Role: PI
- 2022 Ending transmission of HIV, HCV, and STDs and overdose in rural communities of people who inject drugs (ETHIC) | Funder: NIDA (5UH3DA044829-04) | Role: Co-I
- 2022 Blight2Right: A Novel Community-Based Project Focusing on Eliminating Illegal Dumping in Flint, Michigan | Funder: Atkinson Center for Sustainability | Role: PI
- 2021 Water Ways: New York City youths' water consumption behaviors and perceptions | Funder: New York State Water Resources Institute | Role: PI
- 2020 Visibly Invisible in Tompkins County: Black Drug Users On The Rural Fringes | Funder: Mellon Foundation | Role: PI

FELLOWSHIPS AND SCHOLARSHIPS

- 2021-2022 Robert Wood Johnson Foundation Health Scholars Network Fellowship
- 2019-2020 Fulbright scholarship for study in Port of Spain, Trinidad
- 2018-2019 Duke University Social Networks & Health Fellowship
- 2018 National Environment Justice Conference and Training Program Award
- 2018 Pozen Center for Human Rights Fellowship
- 2016 University of Chicago *Social Sciences Division Doctoral Fellowship*
- 2010 U.S. Office of Personnel Management *Presidential Management Fellowship* (Declined)
- 2008 Columbia University *Mailman School of Public Health Merit Scholarship*

ACADEMIC AWARDS AND HONORS

- 2017 University of Chicago Qualifying Exam for PhD in Sociology: *Pass Plus*
- 2010 Columbia University *Master's Thesis Award: Honorable Mention*
- 2008 University of Michigan - Ann Arbor: *University Honors (Academic)*
- 2007 University of Michigan - Ann Arbor: *University Honors (Academic)*

SERVICE/ VOLUNTEER ENGAGEMENTS

- 2022-2023 Family and Children's Service Of Ithaca
Board Member
- 2021-2023 Cornell University/University of California Berkeley
Director and lead trainer for the Center for Cultural Humility
- 2021 Cornell University
Faculty Search Committee for Africana Studies
Faculty Search Committee for Cornell Population Center
- 2017 Chicago Ethnography Conference

Jerel M. Ezell PhD, MPH

Assistant Professor, Community Health Sciences, University of California Berkeley

Director, Berkeley Center for Cultural Humility

Email: jezell@berkeley.edu / Website: www.jerelezell.com

- 2015-2016 Chicago Youth Centers/ABC Polk
Served on the planning committee for designing and organizing the conference.
Tutored underserved youth between the ages of 13 and 18 in North Lawndale, Chicago, in math, science and English, and provided mentorship on college planning and the associated application processes.
- 2013 University of Michigan Ann Arbor
Provided general grant-writing assistance, social media strategy expertise, and website management for a Principal Investigator (Dr. Harold Neighbors) and his team in the *Department of Health Behavior and Health Education* on a web-based mental health intervention ("Man-Up/Man-Down") which aims to remove stigma around help-seeking among Black men.

TECHNICAL SKILLS

Trained in the organization and coding of qualitative data using MAXQDA, Atlas Ti, and NVivo.

Versed in multivariate data management and analysis using Stata and SPSS.

Proficient formal grant-writing, with an expertise in conducting literature reviews, developing research agendas, drafting biographical sketches, and creating IRB protocol and consent documentation.

Experienced in geographic mapping and spatial analysis using GIS (ArcGIS).

Skilled in the development and management of surveys and other quantitative instruments using Salesforce and REDCap.

Proficient in social media marketing, website design (WordPress) and creation of marketing collateral.
